

## **Junior Work to Play Program**

The Portage Golf Club will once again be offering a Junior Work to Play Program for kids ages 11 to 15 who may be interested in 'earning' their 2020 golf club membership privileges.

**'Work' a total of 20 hours and earn FREE membership privileges with NO playing restrictions.**

Juniors who opt into this program can utilize golf equipment at no charge if they do not have clubs of their own. They will also be offered a reduced rate if they wish to participate in the Spring Junior Clinic Program. Juniors in the Work to Play Program who have little to no golf experience MUST attend at least 4 of the 5 classes in order to golf without being accompanied by an adult when they come to play.

If you have a junior in this age bracket that has some interest in learning the game of golf and who would benefit from some work experience, please contact PGC General Manager, Deb Pritchard. She can be reached by email at [generalmanager@portagegolfclub.ca](mailto:generalmanager@portagegolfclub.ca) or by phone at 204-857-6177. **Please note that voicemails will only be checked periodically until regular club hours begin in April.**

### **Work to Play Orientation Session \*Mandatory Attendance\* Sunday, April 26<sup>th</sup>, 2020 @ 7 pm**

This is a mandatory session for **ALL** participants to the Work to Play Program as there will be a couple of changes that we would like to go over. For this session, the junior and at least 1 parent or guardian must be in attendance. The first portion of this session will review the basic job requirements and expectations and will provide an outline for how scheduling and hours tracking is done. Juniors that are new to the program will then be given a tour of the work areas, equipment and an introduction to the golf course. Any and all questions are encouraged at this session!

**\*\*We also require that parents bring required the junior Social Insurance Number with them that evening as we will require all paperwork to be filled out before juniors can begin their work hours.**

**\*\*Please note:** The program will be capped at 25 participants for the 2020 season. Priority will be given to 2019 program participants who completed their 20 hours and wish to participate again. Following that we will open the program up to new participants or to 2019 participants who did not complete their full 20 hours.
